2020 SAG Portfolio Planning Process Proposed Income Qualified Energy Efficiency Ideas Template

Due Date: By 5:00 pm (CST) on Monday, April 27, 2020

Purpose: The [SAG Portfolio Planning Process](#) is an opportunity for Illinois Energy Efficiency Stakeholder Advisory Group (SAG) and Income Qualified EE Advisory Committee participants to understand current energy efficiency (EE) portfolios and provide feedback to Illinois utilities (Ameren Illinois, ComEd, Nicor Gas, Peoples Gas & North Shore Gas) as they develop their 2022-2025 EE Plans. **This Income Qualified Energy Efficiency Ideas Template is intended for Community-Based Organizations (CBOs) and Community Action Agencies (CAAs) to submit ideas for consideration by utilities.** ***Please note:*** SAG participants submitting Energy Efficiency Ideas have been invited to complete a separate template, which is also due on April 27th.

CBO and CCA Income Qualified EE Advisory Committee participants are invited to submit:

1. Feedback on current portfolios, focused on suggested changes for the 2022-2025 EE Plans;
2. Stakeholder ideas/approaches for utility consideration, such as program approaches or new measures that have been successfully implemented in other jurisdictions; and
3. Innovative ideas that could be researched during the next EE Plan cycle by utilities, evaluators, SAG, or another advisory group (IL-TRM Technical Advisory Committee; Income Qualified EE Advisory Committee).

How to Submit an Energy Efficiency Idea:

- Income Qualified EE Advisory Committee participants are encouraged to make a good faith effort to fill out as much information as possible in this template by the due date. Templates submitted after the April 27th deadline may not be considered due to time constraints.
- If you need help filling out the Energy Efficiency Idea Template or researching required information, contact the Income Qualified Facilitator for assistance: SAG Facilitator Celia Johnson (Celia@CeliaJohnsonConsulting.com) and Income Qualified Committee Facilitator Theo Okiro (Theo.Okiro@futee.biz).
- Income Qualified EE Advisory Committee participants that submit an idea may be invited to present their idea at the Wednesday, May 13 Joint SAG-IQ North meeting. Utilities will respond to feedback and ideas during the Wednesday, June 17 Joint SAG-IQ North Meeting.
- Please email your completed template, with any supplemental materials, to the SAG Facilitator Celia Johnson (Celia@CeliaJohnsonConsulting.com).

Additional Questions

1. **Description of Idea:** Describe the proposed idea, including the purpose of the suggested idea and rationale. Describe whether this is an idea that could be implemented in an existing EE program, or whether the idea involves establishing a new measure or program. Please indicate whether additional research may be required before implementation.

Questions to consider: What issue will this proposed change resolve? Will the proposed change increase participation and result in increased energy savings? Will this reduce costs? Will this increase customer satisfaction? Will this help achieve statutory goals? Will this help increase program penetration?

2. **Idea Marketing:** How will this idea be delivered to customers? Describe marketing strategies used to reach the target market and minimize market confusion.

3. **Background:** Describe where the idea originated from, including whether this idea has been successfully implemented in other jurisdictions. Provide specific background information that will help utilities and SAG participants understand the proposed idea.

Questions to consider: In what jurisdiction has this idea been successfully implemented? Do you have information on eligible customers, participation achieved, and/or savings achieved? Do you have access to reports describing the successful idea / program approach?

4. **Idea Impact:** Provide additional information on the customer segment that will be targeted with the program idea, including how and why this idea will have a positive impact on customers participating in Illinois EE programs.

Questions to consider: What level of impact will this idea have on current EE programs? How much additional market share do you estimate this change will impact?

5. **Duration:** Is this idea intended to be offered for the duration of the 4-year EE Plan (2022-2025) or as a pilot measure or program?
